# GTH 2025

---

69th Annual Meeting of  
the Society of Thrombosis  
and Haemostasis Research

---

**LAUSANNE**  
18 – 21 February

---

SAVE THE DATE

# REASONS TO ATTEND GTH 2025

## ARTE

Explore the intersection of Science and Art, with various aspects of the “Arts” highlighted throughout the conference.

## Exposure to New Ideas

Gain fresh perspectives and ideas, nurturing intellectual curiosity through the ARTE theme.

## Learning and Professional Activities

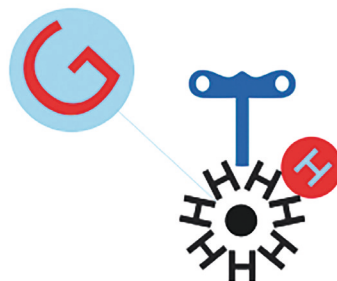

Benefit from high-level education and credits in thrombosis and haemostasis. Young haemostaseologists will profit from high-standing presentations, mentorship, and expert meetings.

## Promotion of Your Work

Present your research and share your findings with peers.

## Networking

Meet and network with health professionals, researchers, and industry representatives to share experiences and knowledge.
